

Discover the Microsoft Surface portfolio

2-in-1

Versatile tablet + Laptop devices that provide Mobile productivity for workers on the go.

Best for: Frontline workers, information workers, executives

Surface Go 4

The smallest, lightest Surface with touch and ink capacitive PixelSense™ display.

Surface Pro 9 with 5G

Stay connected with 5G, quick multitasking, and longer battery life with the Microsoft SQ® 3 processor.

Surface Pro 9

Get tablet flexibility and laptop performance, with your choice of Intel® Evo™ 5.

Laptops

All the power of a static desktop in a sleek, modern form factors built for hybrid and remote workers.

Best for: information workers, executives, engineers, developers

Surface Laptop Go 3

Sleek and light for work anywhere in exceptional value. It provides portability, quality you can see and touch.

Surface Laptop 5

Lightning-fast performance, sleek portability, and built-in security that enable impactful work on your terms.

Surface Laptop Studio 2

Incredibly powerful, infinitely flexible, for intensive and creative workloads in a boundary-pushing form factor that's great for inking.

Large Screens

A family of devices focused on flexibility, collaboration, and mobility.

Best for: hybrid meetings, designers, mobile workers

Surface Studio 2+

Find fuel for inspiration with Windows 11 and professional-grade performance.

Surface Hub 3

The premier collaboration device built by Microsoft for Microsoft Teams Room experiences.

Surface 2-in-1 Category

Work comes in all shapes, sizes, and places. Designed by Microsoft and built for versatility and choice of performance, each Surface 2-in-1 runs the full version of Windows 10 or 11 and transforms from full touchscreen laptop with keyboard to portable tablet, digital canvas, or docked workstation. Optional LTE maintains connection and built-in security provides protection.

Disclaimers

1. 5G not available in all areas; compatibility and performance depends on carrier network, plan and other factors. See carrier for details and pricing.
2. Surface Pro 9 with 12th Gen Intel® Core™ processors and storage of 256GB and above are built on the Intel® Evo™ platform.
3. Battery life varies significantly based on usage, network and feature configuration, signal strength, settings and other factors. See aka.ms/SurfaceBatteryPerformance for details.
4. LTE functionality available on select configurations only. Availability may vary by market and configuration. Service availability and performance subject to service provider's network. Contact your service provider for details, compatibility, pricing, SIM card, and activation. See all specs and frequencies at surface.com.

SURFACE PRO 9

USE CASE Executives, engineers, content creators, researchers, information workers, field technicians, first responders.

DISCOVER Our most powerful Pro, the Surface Pro 9 empowers flexible, all-day impact with tablet portability and laptop performance. From a video call at home to building a financial model at the office, or applying for a permit at a client's site, it has the next-level performance employees expect.

Long battery life, a PixelSense™ touchscreen designed for smooth inking, high-quality audio that brings brainstorming sessions to life, and an improved camera angle that places you squarely in the frame. These features, combined in a lightweight, ultra-thin portable form factor of premium Microsoft design, make work-from-anywhere a thing of the now.

aka.ms/Pro9forBusiness

Intel® Evo™

From CAD files to Excel spreadsheets, crunch through bulky files and move between tasks quickly and securely with the secured-core PC and pro-level performance of a 12th Gen Intel® Core™ processor built on the Intel® Evo™ platform.²

SURFACE PRO 9 WITH 5G

Information workers, field technicians, first responders.

The go everywhere, work anywhere, wherever the day takes your team, 2-in-1 that performs like a laptop. Windows 11 Pro on ARM, Secured-core PC, and virtually edge-to-edge 13" PixelSense™ touch display with true-to-life color come together in a light, low-profile form to give your team the power they need for any path.

Elevate meeting experiences with the Neural Processing Unit (NPU) on Surface Pro 9 with 5G. Windows Studio Effects automatic framing keeps its user in the frame while in motion, and Voice Focus suppresses background noise.

For employees on the go-go-go who need instant access, quick multitasking, and longer battery life, choose the latest generation Microsoft SQ® 3 processor.

aka.ms/Pro9forBusiness

Microsoft SQ® 3 with 5G

For employees on the go who rely on connectivity and need instant access, quick multitasking, and longer battery life. Video calls feel more personal with AI-enabled, enhanced camera experiences; and at ultra-fast 5G speed, connectivity is more reliable. Security is built-in, protecting sensitive data with Microsoft Pluton.

SURFACE GO 4

Field service, frontline, mobile customer service, students, teachers.

A durable, day-to-day computing experience that lets your team stay productive while on the move. Browse the web or video chat in tablet mode with its sturdy kickstand, then easily add our signature keyboard to take notes, run standard business apps, and answer emails.

The 10.5" PixelSense™ touchscreen in a 3:2 aspect ratio provides full HD resolution and color accuracy alongside crisp audio quality – ideally suited for movies and video calls. At just 1.15lbs it's the perfect choice to reduce the weight of a student backpack or make a commute just a little bit lighter.

aka.ms/Go4forBusiness

Microsoft Surface Pro 9 with optional 5G

The most powerful Pro

The go everywhere, work anywhere, wherever the day takes your team, 2-in-1 that performs like a laptop: Microsoft Surface Pro 9. The Windows 11 Secured-core PC and virtually edge-to-edge 13" PixelSense™ touch display with true-to-life color come together in a light, low-profile form to give your team the power they need for any path.

BENEFITS

Get pro-level performance and unlock workstation-class power with optional 12th Gen Intel® Core™ processors built on the Intel® Evo™ platform and Thunderbolt™ 4.

For employees on the go-go-go who need instant access, quick multitasking, and longer battery life, choose the latest generation Microsoft SQ® 3 processor.

Security has never been more important; it's also never been easier with Surface Pro 9 and Microsoft SQ® 3. Pluton architecture secures sensitive data directly in the CPU, making it more difficult for attackers to access.

Testing consisted of full battery discharge with a mixture of active use and modern standby. The active use portion consists of (1) a web browsing test accessing eight popular websites over multiple open tabs, (2) a productivity test utilizing Microsoft Word, PowerPoint, Excel, OneNote and Outlook, and (3) a portion of time with the device in use with idle applications. All settings were default except screen brightness was set to 150 nits with Auto-Brightness and Adaptive Color disabled. Wi-Fi was connected to a network. Tested with Windows 11 Version 10.0.22621.1485 (22H2). Battery life varies significantly with settings, usage, and other factors. 5HDR requires HDR content and enabling HDR in device settings.
5. Voice Clarity requires Windows 11 and is available in apps which use integrated device microphones and use certain Windows audio processing modes.
6. Sold separately.

2. Might vary depending on manufacturing processes.
7. Requires license or subscription (sold separately) to activate and use.
8. Activation required. If your device is managed by your organization's IT department, contact your IT administrator for activation. After 30 days, you will be charged the applicable monthly or annual subscription fee. Credit card required. Cancel any time to stop future charges. See <https://aka.ms/m365businesstrialinfo>.
9. Keycap labels can fit on the keys on the Surface Go Type Cover and Surface Laptop Go, but will require a more precise application due to the key size.
10. Customer Replaceable Units (CRUs) are components available for purchase through your Surface Commercial Authorized Device Reseller. Components can be replaced on-site by a skilled technician following Microsoft's [Service Guide](#). Opening and/or repairing your device can present electric shock, fire and personal injury risks and other hazards. Use caution if undertaking do-it-yourself repairs. Device damage caused during repair will not be covered under Microsoft's Hardware Warranty or protection plans. Availability of replaceable components and service options may vary by market and/or at initial product launch.
11. Microsoft's Limited Warranty is in addition to your consumer law rights.

Surface Laptop Category

Thoughtfully built from the inside out, Microsoft Surface Laptops are designed to go beyond expectations and power productivity. They have the performance to match any task and deliver a premium experience that unlocks your teams' potential.

Disclaimers

1. Powered by the NVIDIA® Studio program, Surface Laptop Studio delivers the performance to boost workflows and accelerate your creative genius. Backed by exclusive NVIDIA® Studio Drivers that are built in partnership with developers like Adobe and Autodesk to bring out the best creative experience.
2. Surface Laptop Studio display has rounded corners within a standard rectangle. When measured as a standard rectangular shape the screen is 14.36-inch diagonally (actual viewable area is less).
3. Voice Clarity is only available on Surface Laptop Studio with Windows 11. May require Windows update.
4. Surface Laptop 4 battery life: Up to 19 hours on Surface Laptop 4 13.5-inch AMD Ryzen™ 5 Microsoft Surface Edition; up to 17.5 hours on Surface Laptop 4 15-inch AMD Ryzen™ 7 Microsoft Surface Edition; up to 17 hours on Surface Laptop 4 13.5-inch Intel® Core™ i5; up to 16.5 hours on Surface Laptop 4 15-inch Intel® Core™ i7. Testing conducted by Microsoft in February 2021 using Windows 10 preproduction software and preproduction configurations of Surface Laptop 4. Testing consisted of full battery discharge with a mixture of active use and modern standby. The active use portion consists of (1) a web browsing test accessing 8 popular websites over multiple open tabs, (2) a productivity test utilizing Microsoft Word, PowerPoint, Excel and Outlook, and (3) a portion of time with the device in use with idle applications. All settings were default except screen brightness was set to 150nits with Auto-Brightness disabled. Wi-Fi was connected to a network. Battery life varies significantly with settings, usage and other factors.

SURFACE LAPTOP STUDIO 2

USE CASE Engineers, designers, data analysts, and researcher.

DISCOVER Let your team work the way they want whether compiling code on a powerful business laptop, multitasking while docked on a perfectly angled stage, or sketching ideas on a full-horsepower creative studio.

Log in securely with Windows Hello then run circles around renders, tackle complex data, and sketch 3D visualizations, accelerate your team's creative genius and run compute-intensive workloads.

Create brilliantly with written notes and sketches on the 14.4" PixelSense™ Flow touchscreen² with true-to-life color, smoother scrolling and a quicker touch response.

Hear and be heard even while others simultaneously talk and laugh on calls, powered by Studio Mics with Voice Clarity³. Your voice sounds clearer, and skin tone accuracy and low-light video improves with the Studio Camera.

This high-performance business laptop is the most powerful Surface, delivering the highest graphics horsepower of any Surface device.

aka.ms/LaptopStudio2forBusiness

SURFACE LAPTOP 5

Executives and information workers.

When your team's work speaks for itself, things can get loud. Surface Laptop 5 secured-core PC uplevels the experience of the day to day with more power, cinematic sound, longer battery life, and enhanced camera experiences powered by new Windows 11 interactive features.

The 13.5" or 15" PixelSense™ touchscreen is our most responsive yet, making it even easier to move through a slideshow or drag and drop from PowerPoint to email with precision. The signature Surface 3:2 screen orientation adds more space for viewing vertical documents, scrolling web pages, or seeing more data for those crucial decisions. And the Dolby Vision IQ™ automatically adjusts when the light around you changes for an incredible viewing experience.

Have a large video file to transfer? Lightning-fast Thunderbolt™ 4 port lets you connect a 4K monitor, charges your laptop, and delivers faster data transfers. And performance is never sacrificed, letting you multitask through deadlines and cross-country flights with up to 17 hours of battery life.

Sleek portability with premium performance, its available in two durable finishes – warm Alcantara® material or cool metal.

aka.ms/Laptop5forBusiness

SURFACE LAPTOP GO 3

Business travelers, frontline workers, and field service.

Well-suited for life on the move and in the cloud, the Surface Laptop Go 3 secured-core PC is an ultraportable laptop for general, daily use. Students and business travelers can take basic tasks on the go like document creation, web surfing, and playing videos.

Collaborate in crisp, clear video calls and play video and sound smoothly with Dolby Audio Premium. Navigate naturally and intuitively on the 12.4" PixelSense™ touchscreen optimized for Windows 11 touch experience. A 3:2 screen aspect ratio, full high definition and narrow bezels help productivity by giving more visibility to scrolling spreadsheets and building web pages.

Speaking of on-the-go Laptop Go 3's long battery life provides enough power for a full day of emails and writing, and Fast Charging quickly takes it from empty to full.

aka.ms/LaptopGo3forBusiness

Microsoft Surface Laptop 5

Super powered for serious work

When your team's work speaks for itself, things can get loud. With lightning-fast performance, sleek portability, true-to-life video calls, PixelSense™ touchscreen display, and built-in security, Microsoft Surface Laptop 5 enables your team to do what it does best: Deliver impact with speed and performance.

BENEFITS

Feel like you're face-to-face with clients and coworkers in flattering, true-to-life video with great low-light capabilities.

Give IT peace of mind knowing that your company, customer, and employee data are safe and secure with Windows 11 Secured-core PC, featuring a removable hard drive for data retention.

Some days there's just no time to waste. Get back to work within seconds of opening the lid with Instant On. Plus, sign in securely with Windows Hello password-free sign-in.

Microsoft Surface Laptop Studio 2

The versatility to create. The power to perform.

Reimagine how your team gets work done with the most powerful Surface ever. **Surface Laptop Studio 2** delivers enterprise-level performance in a revolutionary design that seamlessly transitions between modes.

Go from a touchscreen laptop to the perfect angle for collaboration to a portable canvas, all at the fast pace of the modern workplace. With Microsoft security and innovative Windows 11 features enabled out of the box, Surface Laptop Studio 2 is the ultimate powerhouse laptop.

Designed for performance

The most powerful Surface delivers over 2x more computing power and up to twice the graphics performance for demanding jobs or multitasking.¹

Empower creativity and collaboration

Elevate productivity through with Microsoft 365² through a high-quality touchscreen, Studio Camera, speakers, mics, and all the ports your workers need.

Versatility for any challenge

Give your teams the power to tackle any challenge, whether they're compiling data, multitasking across 4K displays, jumping between calls, or sketching ideas.

Deploy, manage, and stay secured anywhere

Protect your organization's data with Secured-core PCs and chip-to-cloud security³ as IT saves time and money through modern deployment and management.

Vibrant 14.4"⁴ PixelSense™ Flow touchscreen with a refresh rate up to 120hz

Omnisonic® speakers and far-field Studio Mics featuring Voice Clarity⁶

A more serviceable design that minimizes downtime⁵

All-day productivity with all-day battery life⁸

New Studio Camera with a wide field of view and AI-powered features

Seamless transitions between three different modes through the dynamic woven hinge

Inking like pen on paper with Surface Slim Pen 2⁷

Microsoft Surface Laptop Go 3

Ultra-thin design. Impactful performance.

The lightweight **Surface Laptop Go 3** takes work as seriously as your workers. Employees can multitask on the go or collaborate from any space as they breeze through essential tasks, connect clearly on video calls, and collaborate to drive impactful.

Vibrant 12.4" PixelSense™ touchscreen at Surface's signature 3:2 aspect ratio⁴

Intel® Core™ i5 processor with up to 16GB RAM and 512GB of storage

A robust design that's tested for reliability and durability

Ultra-light and highly portable at just under 2.5 lbs (1.13 kg)

Up to 15 hours of battery life¹ and Fast Charging

Performance for everyday productivity

Set employees up to exceed expectations no matter where they work with professional-grade performance and all-day battery life.¹

Designed for impact

Unlock your team's impact with a spacious screen and full-sized keyboard on a device designed to last.

Collaboration wherever work gets done

Help teams collaborate, co-create, and communicate effortlessly with Windows 11, Microsoft 365,² and Surface Laptop Go 3 high-quality camera, mics, and speakers.

Deploy, manage, and stay secured anywhere

Give your IT team peace of mind with Secured-core PCs as they save time and budget through streamlined deployment, modern management, and built-in, chip-to-cloud security.³

HD camera, dual Studio Mics, and Omnisonic® Speakers with Dolby® Audio™ Premium

One Touch sign-in with Windows Hello for Business and Fingerprint Power Button⁵

Disclaimers

1. System software uses significant storage space. Available storage is subject to change based on system software updates and apps usage. 1 GB = 1 billion bytes. 1 TB = 1,000 GB. See [Surface.com/Storage](https://www.microsoft.com/surface/storage) for more details.
2. Customer Replaceable Units (CRUs) are components available for purchase through your Surface Commercial Authorized Device Reseller. Components can be replaced on-site by a skilled technician following Microsoft's [Service Guide](#). Opening and/or repairing your device can present electric shock, fire and personal injury risks and other hazards. Use caution if undertaking do-it-yourself repairs. Device damage caused during repair will not be covered under Microsoft's Hardware Warranty or protection plans. Availability of replaceable components and service options may vary by market and/or at initial product launch.
3. Might vary depending on manufacturing processes.
4. Testing conducted by Microsoft in April-May 2023 using preproduction Windows 11 software and preproduction Surface Laptop Go 3 Intel® Core™ i5-1235U processor, 256 GB, 8/16 GB RAM devices. Testing consisted of full battery discharge with a mixture of active use and modern standby. The active use portion consists of (1) a web browsing test accessing eight popular websites over multiple open tabs, (2) a productivity test utilizing Microsoft Word, PowerPoint, Excel, OneNote and Outlook, and (3) a portion of time with the device in use with idle applications. All settings were default except screen brightness was set to 150 nits with Auto-Brightness and Adaptive Color disabled. Wi-Fi was connected to a network. Tested with Windows 11 Version 10.0.22621.1413 (22H2). Battery life varies significantly with settings, usage, and other factors.
5. Voice Clarity requires Windows 11 and is available in apps which use integrated device microphones and use certain Windows audio processing modes.

Microsoft Surface Hub 3

Dissolve meeting boundaries and bring collaboration to life

Microsoft designed **Surface Hub 3** to combine the power of a collaborative digital canvas, seamless video conferencing, and intuitive touch and pen capabilities. These features come together to enable dynamic teamwork—wherever and however your people join in. Give your employees the power to achieve more together through real-time collaboration and information sharing.

Auto-framing through the AI-powered Surface Smart Camera gives participants a dynamic view of the room.

The 8-element MEMS linear microphone array ensures everyone's voice is crystal clear, whether they're in person or remote.

In-cell display technology brings a human touch to the touchscreen experience.

Images and video show up crisp and clean on the 8-bit, color-calibrated 4K HDR screen.

Disclaimers

1. Some cloud-enabled features and functionality require paid subscription and/or qualifying license.
 2. APC™ Charge Mobile Battery for Surface Hub 3 50" sold separately.

The employee Experience matters

Hardware and software come together to create a seamless Microsoft Teams Room experience for every participant. Between Microsoft's investment in human-centered design and Surface's pioneering history of premium form factors, Surface Hub 3's technology fades into the background so collaboration stays front and center.

Manage remotely, stay Secured anywhere

Deploy with ease, manage your devices from anywhere, and maintain secured control of every Surface Hub 3's with Microsoft Intune, Microsoft Teams admin center, and Windows 11 Pro. As part of the Microsoft ecosystem, Surface Hub 3's built-in, chip-to-cloud security¹ keeps your employees and your organization safe.

Putting your business first

Versatile accessories and mobile stands adapt your collaborative canvas to your evolving space and technology needs. Through modular design that unlocks reparability and ongoing upgrades, Surface Hub 3 protects your investment by maximizing value throughout its lifecycle.

With 4,096 pressure points, Surface Hub 3's display delivers the most natural pen experience of any device in its class.

The APC™ Charge Mobile Battery² for Surface Hub 3 provides the power to roam.

Screen rotation enables fluid transitions from portrait to landscape to flex the format to the task at hand.

Disclaimers

1. Learn more about Design for Surface and the mount at <https://learn.microsoft.com/en-us/surface/surface-dock-whats-new>
2. Surface Enterprise Management Mode for Dock and MAC address passthrough are available on select host devices and supported operating systems.
3. Ocean-bound plastic is plastic waste recovered from oceans and waterways, cleaned, and processed into recycled plastic resin pellets. These recycled pellets are blended in with virgin plastic during the manufacturing process
